

ANISH BHATTACHARJEE

AI & ML ENGINEERING STUDENT | COMPUTER SCIENCE U.G.

Bhopal, India | anish.hlv@gmail.com | www.linkedin.com/in/anish-bhattacharjee-8b00083b5

SUMMARY

B.Tech Computer Science student specializing in Artificial Intelligence and Machine Learning at VIT Bhopal University. Experienced in developing deep learning models for object detection and implementing IoT solutions. Passionate about solving real-world problems through Neural Networks, Reinforcement Learning, and Computer Vision. seeking opportunities to apply technical skills in a challenging engineering role.

TECHNICAL SKILLS

- Languages: C++, Java, Python, SQL, JavaScript
- Web Development: ReactJS, HTML, CSS, Full-Stack Development
- AI & Machine Learning: Predictive Modeling, Computer Vision (YOLO/R-CNN), Super Resolution Algorithms, Deep Learning
- Cloud & IoT: Amazon Web Services (AWS), IoT Sensor Integration, ESP32 Microcontrollers
- Tools: Git, VS Code, Google Colab

PROFESSIONAL EXPERIENCE

Full Stack AI Developer | Agro_World Project

- Developed "Agro_World," a predictive agricultural model designed to assist farmers in decision-making processes.
- Engineered a full-stack solution using ReactJS for the frontend and Python-based ML models for the backend to forecast crop yields.
- Implemented data analysis pipelines to interpret agricultural metrics and provide actionable insights.

AI Engineer | AI Super Resolution Platform

- Built an AI-powered platform aimed at enhancing image quality through deep learning super-resolution techniques.
- Designed algorithms to upscale low-resolution images while preserving fine details and textures.
- Integrated the model into a user-friendly interface to allow for real-time image processing

EDUCATION

Bachelor of Technology (B.Tech)

2023 - 2027

- Major: Computer Science Engineering (Specialization in AI & ML)
- Institution: VIT Bhopal University, Madhya Pradesh
- Registration Number: 23BAI10736
- Timeline: 2023 – 2027 (Expected)

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Assamese, Bengali
- **Certifications:** Applied Machine Learning in Python (University of Michigan), I-Medita Networking and Security Workshop, Students Workshop by T-Hub
